EWD WEEKLY NEWSLETTER

18th July 2025

A message from Leadership

Well, that's 2024-25 complete and what a successful year it has been! I'd like to thank the following people for all of their hard work and dedication:

Parents - thank you for your support, dialogue and honesty. Your feedback has helped us improve so keep it coming! You asked us to reduce our suspensions and they're down 65% compared to last year!

Governors - thank you for your support and challenge! Special thanks to our parent governor Mrs Mitchell!

Staff - thank you for your dedication and resilience. You continue to amaze and the relationships you have with our pupils is the cornerstone of all our improvements.

Pupils - thank you for being you! You're an incredible bunch and you're the reason why we're all here! I hope you have a great 6 weeks off and we look forward to having you back in September!

Diary Dates

- Summer Holidays!!
- 3rd September - Back to School!

Attendance

This week, our top three attending tutor groups were:

Wood	100%
Davison	83.33%
Grant	81.82%

Reminders

Students need cash or a bank card for shopping in the community - NOT their phone.

Medication must be sent into school in the box with prescription label, via taxi escort.

Important Messages

Points are mentioned frequently in our newsletters as well as daily with our students.

However, if a student displays one of our RICH-T values they can be eligible for a **Golden Ticket**.

RESPECT will be our big focus over the next couple of weeks until the holidays; respect for ourselves, respect for each other and respect for the school.

What's been happening this week in Key Stage 3

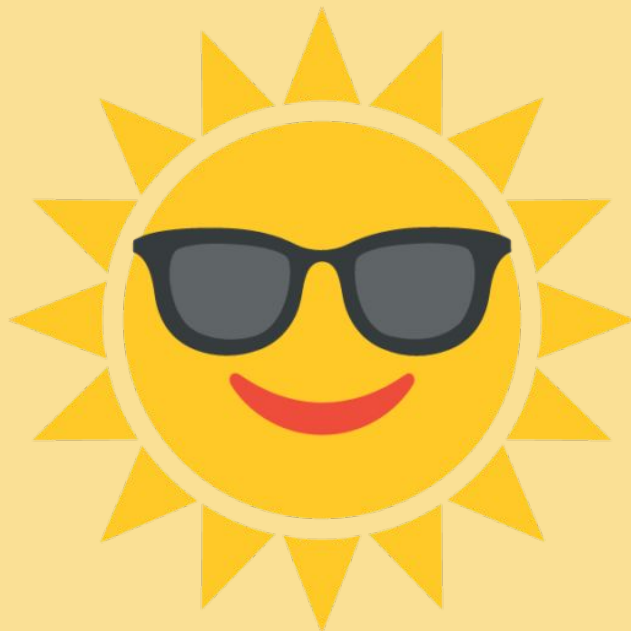

We had the most amazing day at Flamingo Land on Wednesday!

It was the best way to celebrate the end of the best year. Here is to a fun-filled summer holiday!!!

Wood

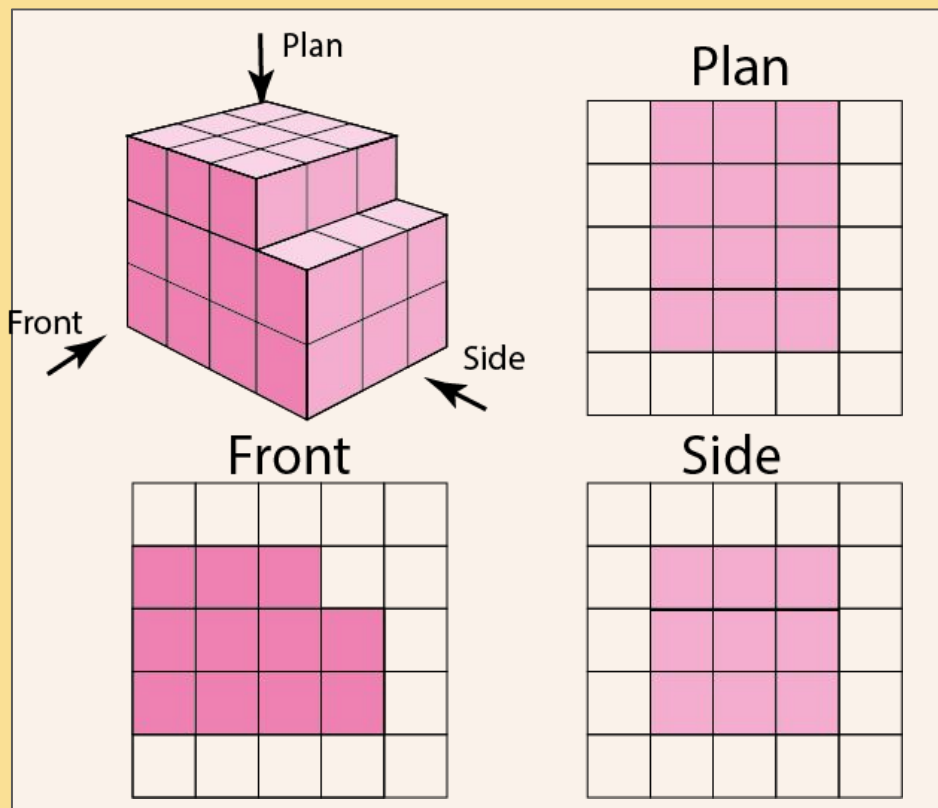

This week, McManus boys have loved spending time in their wellbeing garden! The boys have been chilled out on the hammocks and have loved chilling with their friends!

Grant

In Grant class this week, we have been learning about 2D representations of 3D shapes, and students have drawn front elevation, side elevation and plan drawings to represent 3D shapes. Well done everyone! Ms Taylor

We wrapped up the term with an exciting trip to the climbing centre, where James showed great perseverance and determination as he tackled some of the toughest climbs. He pushed himself on the overhangs, using every bit of his upper body strength to keep going and got further than before .

Kyra

I'm really enjoying doing GCSE photography, we've had some nice trips to Bolam Lake and Gibside. We've been learning different camera modes I like close up the best especially with flowers!

Pastoral Message

What a year it's been! ✨

This year, we've witnessed incredible growth in our students, not just academically, but personally. From building confidence and resilience to learning how to support one another and take on new challenges, their development has been nothing short of inspiring. It's been a joy to see them become more self-assured, kind, and driven individuals.

A perfect example of this was our fantastic trip to Flamingo Land on Wednesday 16th July. The students showed just how far they've come — encouraging each other on the rides, demonstrating responsibility, and creating memories that truly highlighted their maturity and teamwork. It was a celebration not just of the end of term, but of everything they've become over the year.

Here's to continuing that amazing journey of growth! 🌟

E-scooters, EAPCs, E-bikes, and Motorcycles

Information for parents & carers

Road safety law is there to protect riders and other road users. In the event of a collision, the physical consequences can be devastating, life-changing and can ultimately result in the loss of life. Make sure that when your children ride on the roads they are doing so legally and safely with protective equipment such as helmets. Visit [THINK! Road safety](#) and [Road safety - Police.uk](#) for more information.

What does the law say?

E-scooters

NOT ROAD LEGAL
for ANYONE to use

It is illegal for ANYONE to ride a private e-scooter on public land – roads, pavements and cycle paths included. In law, they are treated as motor vehicles and, because they have no number plate, often don't have rear lights or signalling ability, **they cannot be used legally in public.**

[Read more here](#) about penalties and offences.

EAPC (electrically-assisted pedal cycle)

ROAD LEGAL
for those aged 14 and
over. Helmet use is
advised but optional

An EAPC must have pedals meaning that the bike can be used with or without the motor, and the fitted motor must cut off at a top speed of 15.5 mph (the speed of an average pedal cyclist)

[Read more here](#)
and [here](#)

Electronically powered motorcycle – “E-bike”

Whether or not these are
road legal depends on
certain conditions
(see below)

To be road legal an E-bike
must have :

- A number plate
- Brake lights
- Indicators

An E-bike without these is
NOT ROAD LEGAL.

Also, the rider is subject
to the same licence
requirements as those
for a moped/scooter/
motorcycle (see column
to the right), and they
must have insurance.

Mopeds, scooters and motorcycles

ROAD LEGAL
for those aged 16 and
over with a motorcycle
licence. Helmet use
is mandatory

A provisional driving
licence is required
and compulsory basic
training (CBT) must be
completed. The age limit
will depend on the type of
motorcycle – [visit this
link for details](#)

What's the difference
between a moped and
a scooter? Basically, it's
all about engine size, but
[read more about it here](#)

Why are rented e-scooters road-legal?

- Renters must have at least a provisional driving licence which has [category Q or P/M entitlement](#)
- The rental company provides insurance for the rider as part of the rental agreement
- They must be ridden in approved areas and only on the road
